

Summer Camp 2021

5th till 8th February 2021

Hi all,

With Feb being only a few weeks away (it seems), we need to get an idea of numbers coming please. Please let me know asap if you are, or are hoping to, come.

Also, we have checked into accommodation again, as of yesterday these were the options:

Top 10 Holiday Park, 24 Mair St **Ph 09-4376856**

Have available 3x cabins which each have 1x Q bed and 4x single bunks

Plus 1x cabin which has 2x single beds and 4x bunks.

Share with friends and the price is reasonable.

Powered site for tents, caravans etc as well.

Otherwise there are the following recommended options:

1. Whangarei Central Holiday Park, 34 Tarewa Rd **Ph 09 4386600**

We have been assured that this park has recently been renovated and is now very well run (explaining the old bad reviews it had).

The Top 10 lady told us that the people running it now used to be at the Top 10, and the park is now to Top 10 standard in her opinion.

2. The other recommendation she had was the Continental Motel, 67 Kamo Rd, **Ph 09-4376359**.

Also run by x-Top 10 people, and the two outfits often share overloads.

There are also a few other Motels in close proximity to the Top 10 as well.

The Top 10 is happy to allow visitors to accommodate the group, but just ask that extra cars park on street (I should be able to arrange off-street parking next door where I used to work), and that noise stop by 10pm.

They have a nice bbq area and large kitchen. Although an older park it is very clean and well cared for.

Cheers

Dale (and Frank)
